

Sebastian Lemos lived each day of his life to the fullest. Whether dribbling a ball down the soccer field or receiving his cancer treatments, Sebastian faced each challenge with bravery and determination. Though Sebastian lost his fight against cancer, his journey continues to give inspiration to those who knew him and those who get to know him through **Sebastian's RunWalk for a Cure.**

Sebastian loved to make friends. He also loved to laugh and make others laugh, and always looked out for his sister, Isabela. **Sebastian's RunWalk** is a chance for us all to make new friends for Sebastian and join together to support The Alabama Center for Childhood Cancer and Blood Disorders during Curing Childhood Cancer Month. Your support of **Sebastian's RunWalk** will help continue Sebastian's fight against cancer for all children and families affected by the disease.
